

Tough Scrape Mats

The Tough Scrape Matting is made from heavy duty carpet fibre, enabling it to handle heavy traffic for many years.

Features:

- Ideal for heavy traffic areas.
- Extra coarse polypropylene fibres provide an aggressive scraping action.
- Distinctive hobnail pattern withstands tough indoor or outdoor elements to retain massive amounts of water or dirt, yet dries quickly.
- Heavy duty edging allows for trolleys to ride up with ease.
- Has a slip resistant gripper backing which prevents movement and increases safety, when laid over vinyl, timber, tiles, carpet or concrete.
- Protection from risk of slips, trips & falls.
